**Please provide an attached typed or legible written essay (400-700 words) answering the prompt below:**

Virtue is a habitual and firm disposition to do good. It governs our acts, orders our passions, and guides our conduct by reason and faith. It also encourages Christians to live in a relationship with the Holy Trinity. The call to live a virtuous life applies to individuals in every state of life and occupation, including our elected leaders.

In an essay of 400-700 words, what are the two most important virtues that you possess, and why? Reflect on a specific situation where your virtues have positively impacted your life. How can your virtues help foster deeper connections with others and promote a sense of belonging within your Christian values?
